The United States Official Investigation

Of Baking Powders, made, under authority of Congress, by the Chemical Division of the Department of Agriculture, Washington, D. C., and recently completed, furnishes the highest authoritative information to which is the best baking powder. The Official Report

> Shows the Royal Baking Powdec to be a cream of tartar baking ... Superior to all others in stangth and leavening power.

The Royal Baking Powder is absolutely pure, made from the most wholesome materials, and produces finer flavored, sweeter, lighter, more palatable, wholesome and delicious bread, biscuit, cake, pastry, etc., than any other baking powder or havening agent.

Being of greater strength than any other baking powder, it is also the most economical in use.
